The **Executive** Experience

Vanguard Global Risk Management VGRM provides international Executive Security Services, tailored for executives, celebrities, dignitaries and high net worth individuals. Our service offering is meticulously crafted to suit our clientele, providing the right blend of **luxury, safety and security**.

*Our services are customised to suit both low, as well as **high profile clientele**.*

The **Executive** Experience

01

Our hyper professional corporate approach and our attention to the smallest detail guarantee the *Executive Experience* while in our care.

02

The perfect balance between luxury, safety and security come together in a truly *Bespoke Service*.

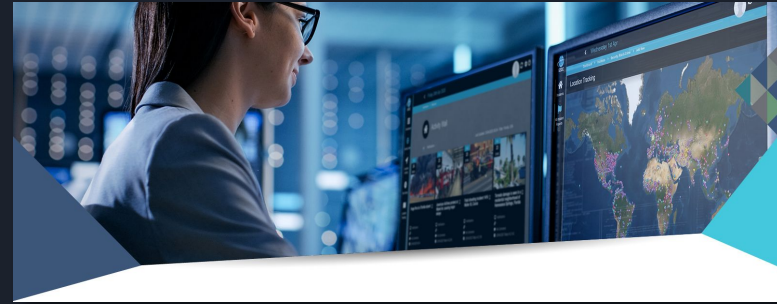

03

Vanguard's *Risk Mitigation* & Operational Management procedures ensure your safety & security whenever and wherever you need to be.

GSOC

VGRM's *Global Security Operations Centre GSOC* is manned 24/7 365 days a year. It is responsible for coordinating global operations and logistics. GSOC trackings and monitors personnel, assets and clients, and provides operational support to our operatives in real-time, whether on land, at sea or in the air. GSOC offers international travel support to our clients and their staff, always there to provide support, risk mitigation and crisis management. As such, GSOC is also responsible for coordinating and overseeing emergency response, evacuation, repatriation and medevac.
